# Sydney Summer Series orienteering

Looking for a new exercise activity?  
Something more than just a run?  
Then come and try the *Sydney Summer Series*.

It's a mix of Sudoku / Pokemon GO / the Amazing Race as you explore the best of Sydney's foreshores, parks, reserves and bush tracks every Wednesday afternoon/evening during daylight saving.

- \* Different location each week
- \* Go solo, with a buddy, or in a small group
- \* Running and walking categories
- \* Easy navigation
- \* Electronic timing
- \* **Season ticket is available**

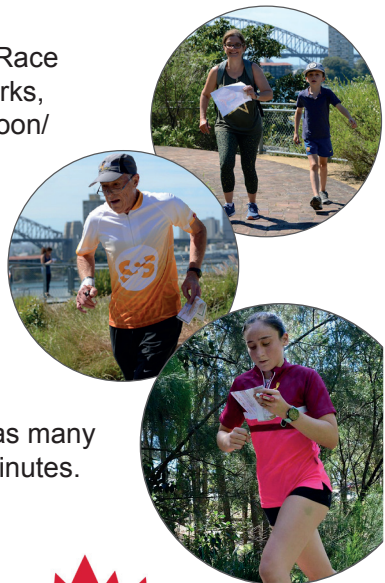

Start any time between 4.30pm and 6.45pm. Visit as many of the 30 controls as you can, in any order, in 45 minutes. Plan your route to maximise your score:  
1-10 = 10 points, 11-20 = 20 pts, 21-30 = 30 pts.

**Be warned – it's highly addictive!**
