30th Anniversary Quiz – the answers

Of the 30 clues, only three were not answered by any entrant. Two were from 1996/97, and one from 2005 – long ago, and a factor. They were #2, #10 and #23. Note that the quiz winner (Carol) forgot one of her own - #17 from Sugarloaf in February 2018. Her 124 points should have been 130! Congratulations to all who entered. Great fun.
